Recent Projects

Project/location	Scope of Work	Dates
Prairie Hills School District	Burglar alarm system refresh across all 8 campuses to implement a wireless/wired system to facility integration with access control	August 2017
Village of Olympia Fields	Upgraded Analog Video Surveillance to Hybrid with IP Video Surveillance and Hybrid Network Video Recorder. Integrated Video Surveillance with Access Control.	July 2017
Walmart Stores	Provided Data /telecom infrastructure (Neighborhood Market- Collinsville, IL) Cisco Call Manager Express VoIP, Cisco Aironet WAPs, Cisco switches and routers, CAT 6 and fiber infrastructure wiring	June 2017
Walmart Stores	Retrofit IP Video Surveillance Cameras to reposition all POS Cameras to provide increased detail of self-checkout and POS.	May 2017
Youth Connection Charter Schools	WiFi Infrastructure Upgrade – Six Campuses. Erate One-to-One	April – July 2017
New Mom	IP / Analog Hybrid Video Surveillance Upgrade – 60 Camera System – IP Migration	April 2017
400 N. LaSalle Condominium	IP / Analog Hybrid Video Surveillance Upgrade – 65 Camera System - IP Migration	March 2017
Calvary Baptist Church of Glenwood	Network Infrastructure / Ubiquiti WiFi Upgrade. Upgrade to Microsoft 365, Structured Cabling Expansion, Firewall Deployment, IT Managed Services	January2017
Chicago Zoological Society/Brookfield Zoo	IP / Network Video Surveillance Upgrade	November 2016
Procured Health	Hosted Access Control	October 2016
Charles Houston High School	Structured Cabling, Wireless Network Infrastructure, Data Switch, Network Video Surveillance, Access Control.	September 2016
Village of Olympia Fields	Structured Cabling and Access Control	July 2016
Country Club Hills School District	Expansion of IP/Network Video Surveillance to connect to additional campuses via wide-area-network.	July 2016
Primo Apartments	Integrated Video Surveillance / Access Control, Telephone Entry System	June 2016
Walmart Stores, Inc.	Data /telecom infrastructure (Superstore-Richton Park) Cisco Call Manager Express VoIP, Cisco Aironet WAPs, Cisco switches and routers, CAT 6 and fiber infrastructure wiring	March, 2016
CTA/Jacobs Engineering	Implementation of network infrastructure for 95th street terminal construction engineering office (installation and configuration of Cisco	Jan, 2016

	Wireless, Cisco Switches, Cisco Firewall, Cisco VPN, CAT 6, and Data Cabinets)	
Country Club Hills School District 160	Exacqvision Network Video Surveillance, Enterpass Integrated Access Control System (connected across 3 campuses)	Dec, 2014 – Dec, 2015
Walgreen Stores	Installation and Maintenance of IP Network Video Surveillance Systems. (4 techs certified on Walgreens Custom Bosch System)	Aug. 2014 - Present
Village of Hazel Crest	Implementation and management of Network Infrastructure including Exchange Servers, Domain Controllers, SQL Servers, Cisco Routers, Firewall, BE / NAS Storage	2005 –2016
Prairie Hills School District	Enterprise IP Video Surveillance / Network Infrastructure / Video Management Servers for 7 Campuses (245 cameras)	Present
Starbucks/Subway – Harper College	Installation of network infrastructure for new Starbucks that opens 2/23/14. Expansion of network at Subway.	Present
Prairie Hills Junior High School	High Definition Video Projection System and electronic screen with tablet and mobile device integration. (Cafetorium)	September 2014
Country Club Hills School District	Design and Installation of Integrated IP Video Surveillance and Access Control.	Nov. 2014 - Present
McKinley Academy of Lakeside	Implementation of Cisco Call Manager VoIP Communication System	December 2014
Thornton School District 205	Erate contract for managed services	2013-14
Youth Connection Charter Academy	Erate contract for managed services (15 Campuses)	2012013-Present
Thornton Township School Treasurer	PSIshield Hosted Video Surveillance System	November 2014
Black Ensemble Theater	IP Network Video Surveillance Expansion	December 2014
Youth Charter Leadership Academy	Design and implementation of Hybrid IP Network Video Surveillance System in IIT Campus – Maintenance Services	September 2014
Community Youth Development Institute Charter School	Network Assessment and Review	December 2013
Walmart Stores, Inc.	Data / Telecom Infrastructure (Two New Stores)	2012
Walmart Stores, Inc.	Integrated Security Systems Master Service Agreement	2013
Noble Charter Network	Wireless Network Assessment	December 2013
Chatham Youth Connection Charter Schools System	Network Infrastructure – Cisco IP VoIP, Cisco Router / Switches / Firewall	September 2012
Scientific Games	Network Cabling and Telecom Cabling for new build video gaming data center (Wood Dale)	April –May 2012
Northstar / GTECH	Illinois Lottery Systems Infrastructure	January 2011

55 Technology Way West Greenwich, RI		
BMO Harris Bank	Project Management / Information Security/ Network Infrastructure	January 2011- January 2014
Scientific Games	Installation of Structured Cabling Infrastructure for McCook Facility (Illinois Lottery)	May-2011
Chicago Public Schools Chicago, IL 60603	New School Network Electronics / Infrastructure (Routers/Switches/ Wireless	September 2010
CYDI Charter	Managed Services	Present
Noble Charter Network	Network Assessment	December
Deloitte Consulting/ Clerk Circuit Court	Network Infrastructure for Integrated Cashiering System (HP Server Infrastructure/ Desktop systems/ Network Design	June 2005-June 2006
Soldier Field Stadium	Implemented Systems Infrastructure used by operations	June 2004

Community Youth Development Institute Charter School	Network Services / VoIP Telecom Services	September 2013-Present
Walmart Stores, Inc.	Data / Telecom Infrastructure (Two New Stores)	2012
Walmart Stores, Inc.	Integrated Security Systems Master Service Agreement	2013-Present
Austin Career Education Center	Cisco Call Manager (VoIP Implementation / Managed Services	2013
CYDI Charter School	Expansion of Network Cabling Infrastructure	December 2013
Noble Charter Network	Wireless Network Assessment	December 2013
Chatham Youth Connection Charter Schools System	Network Infrastructure – Cisco IP VoIP, Cisco Router / Switches / Firewall	September 2012
Youth Connection Charter Schools	IP Video Surveillance Solution. (Vivotek / Exacq	June 2012
Scientific Games	Network Cabling and Telecom Cabling for new build video gaming data center (Wood Dale)	April –May 2012
Prairie Hill School District	Notebook Infrastructure – 400 qty. notebooks, Notebook carts w/ cabling and Network Switches	February 2012
Northstar / GTECH 55 Technology Way West Greenwich, RI	Illinois Lottery Systems Infrastructure	January 2011
BMO Harris Bank	Project Management / Information Security/ Network Infrastructure	January 2011-January 2014
Northstar / GTECH 55 Technology Way West Greenwich, RI	Operations Infrastructure	June - 2011
Scientific Games	Installation of Structured Cabling Infrastructure for McCook Facility (Illinois Lottery)	May-2011
Chicago Public Schools Chicago, IL 60603	New School Network Electronics / Infrastructure (Routers/Switches/ Wireless	September 2010
